

**Boston University** College of Arts & Sciences  
 Department of Biology

## Undergraduate Readings in Biology

Name: \_\_\_\_\_ BU ID: \_\_\_\_\_

Email Address: \_\_\_\_\_ Date of Submission: \_\_\_\_\_

Major: \_\_\_\_\_ Minor: \_\_\_\_\_

*Please indicate the semester and course level you are applying for:*

Fall	Sprg	Sum1	Sum2
Freshman		BI 171/172	
Sophomore		BI 271/272	
Junior		BI 371/372	
Senior		BI 471/472	

You will need to ask a Biology Department faculty member to act as your Readings in Biology sponsor. Your sponsor should be familiar with your chosen topic and should help you write a proposal to submit with this application form. Your proposal should have the following components:

- A title:** the title for your Readings course should be an accurate representation of your chosen topic.
- A bibliography:** the bibliography for your Readings course is a tentative list that should represent the types of literature you'll be reading over the course of the semester.

Note: Readings in Biology is 2 credits and will not count toward the Biology or BMB major, but will count toward graduation credit.
