Recommendation if failed			

This form is to be used for all examinations of Master's or Ph.D. candidates excluding course examinations only. N.B. Comprehensive refers only to Master's candidates. PASS is to be granted only on completion of all portions of the examination (e.g., all required subjects, both oral and written, on the Ph.D. qualifying examination). In the case of FAIL, please state a recommendation concerning earliest opportunity for re-examination if it is to be granted.
