

# Annual Post-Prospectus Progress Report Form

Department of Electrical and Computer Engineering  
College of Engineering, Boston University

**Directions:** Student should complete report in this editable file or on separate sheets. Each answer can be of any appropriate length. After student and advisor have discussed the contents, both should sign and indicate the date of the meeting. Any disagreements from the advisor should be sent to the Academic Program Manager by email to [ecephd@bu.edu](mailto:ecephd@bu.edu).

This report must be shared and discussed with the Prospectus Committee (together or separately). Each committee member must sign.

Submit to the Academic Program Manager in PHO 324 with a current CV (including, e.g., publications submitted or in preparation, talks given or planned, posters presented or planned, and a link to your Google Scholar profile).

**1. Give a short description of your work during the past year. This may include a brief description of the problem you are working on, your research objectives, and possible technical challenges.**

**2. Give an assessment of your progress, results obtained, and potential obstacles.**

**3. Are there skills, areas, and/or milestones that require attention before the next review?**
