**This form is no longer required as of Fall, 2018. Guests and affiliates should be sponsored via the Affiliate Account Application webform through the IT Help Center located here:**

**<https://www.bu.edu/help/tech/accounts/>**

**Please utilize this form to set the required affiliation type (refer to the linked matrix within the form for any questions), and use the form to set the required access. Once that process is complete, you will receive a BU email and BUID# for the individual. At that time, the affiliate can visit HR (if on CRC) or the ID office (if on BUMC) to receive their Terrier Card if their affiliation is eligible for one.**
